You must have a valid barcode attached and completed registration form to receive the Aqua Pure Car Care Reward promotion.

We collect your personal / business details so we can provide you with information on updates and additions to the Aqua-Pure Car Care Rewards promotion. We may also use your personal information to tell you about Aqua-Pure initiatives, experiences or relevant information that we have come across and that we believe may benefit you. We will not sell, lend or give out our database to any other organisation, however your personal information will be included in the form of an entry in our database which will be provided to our contracted services providers, such as our mailing house, who help us with our administrative activities from time to time. You may access or request removal your personal information at any time.
